The construction of the ark lasted fifty-two years; Noah was purposely working slowly, in the hope that the people would take warning therefrom and would repent. (Pirke De-Rabbi Eliezer).

After the flood God gave Noah the seventh and final commandment. Which was not to harm animals unnecessarily.

And thus God made a Covenant with the Children of Noah by placing a Rainbow in the sky as a reminder that he was and is preoccupied with the actions of man in this world.

Those who keep the 7 Laws have a share in the world to come.
